Trip Riga [Latvia] - Zvolen [Slovakia]

Navigation and routes

Google Maps offers travel routes by car, public transport and on foot. You can choose the most suitable mode of transportation for you.

Voice-guided navigation: Google Maps can offer directions with your voice, eliminating the need to look at the map while driving.

Alternative routes: If there are traffic jams or road closures, Google Maps offers alternative routes.

Zvolen (Slovakia)

Finding local services and facilities

Zvolen (Slovakia)

Finding local services and facilities

Restaurants, cafes and shops: You can easily find nearby restaurants, cafes or shops and see reviews and opening hours.

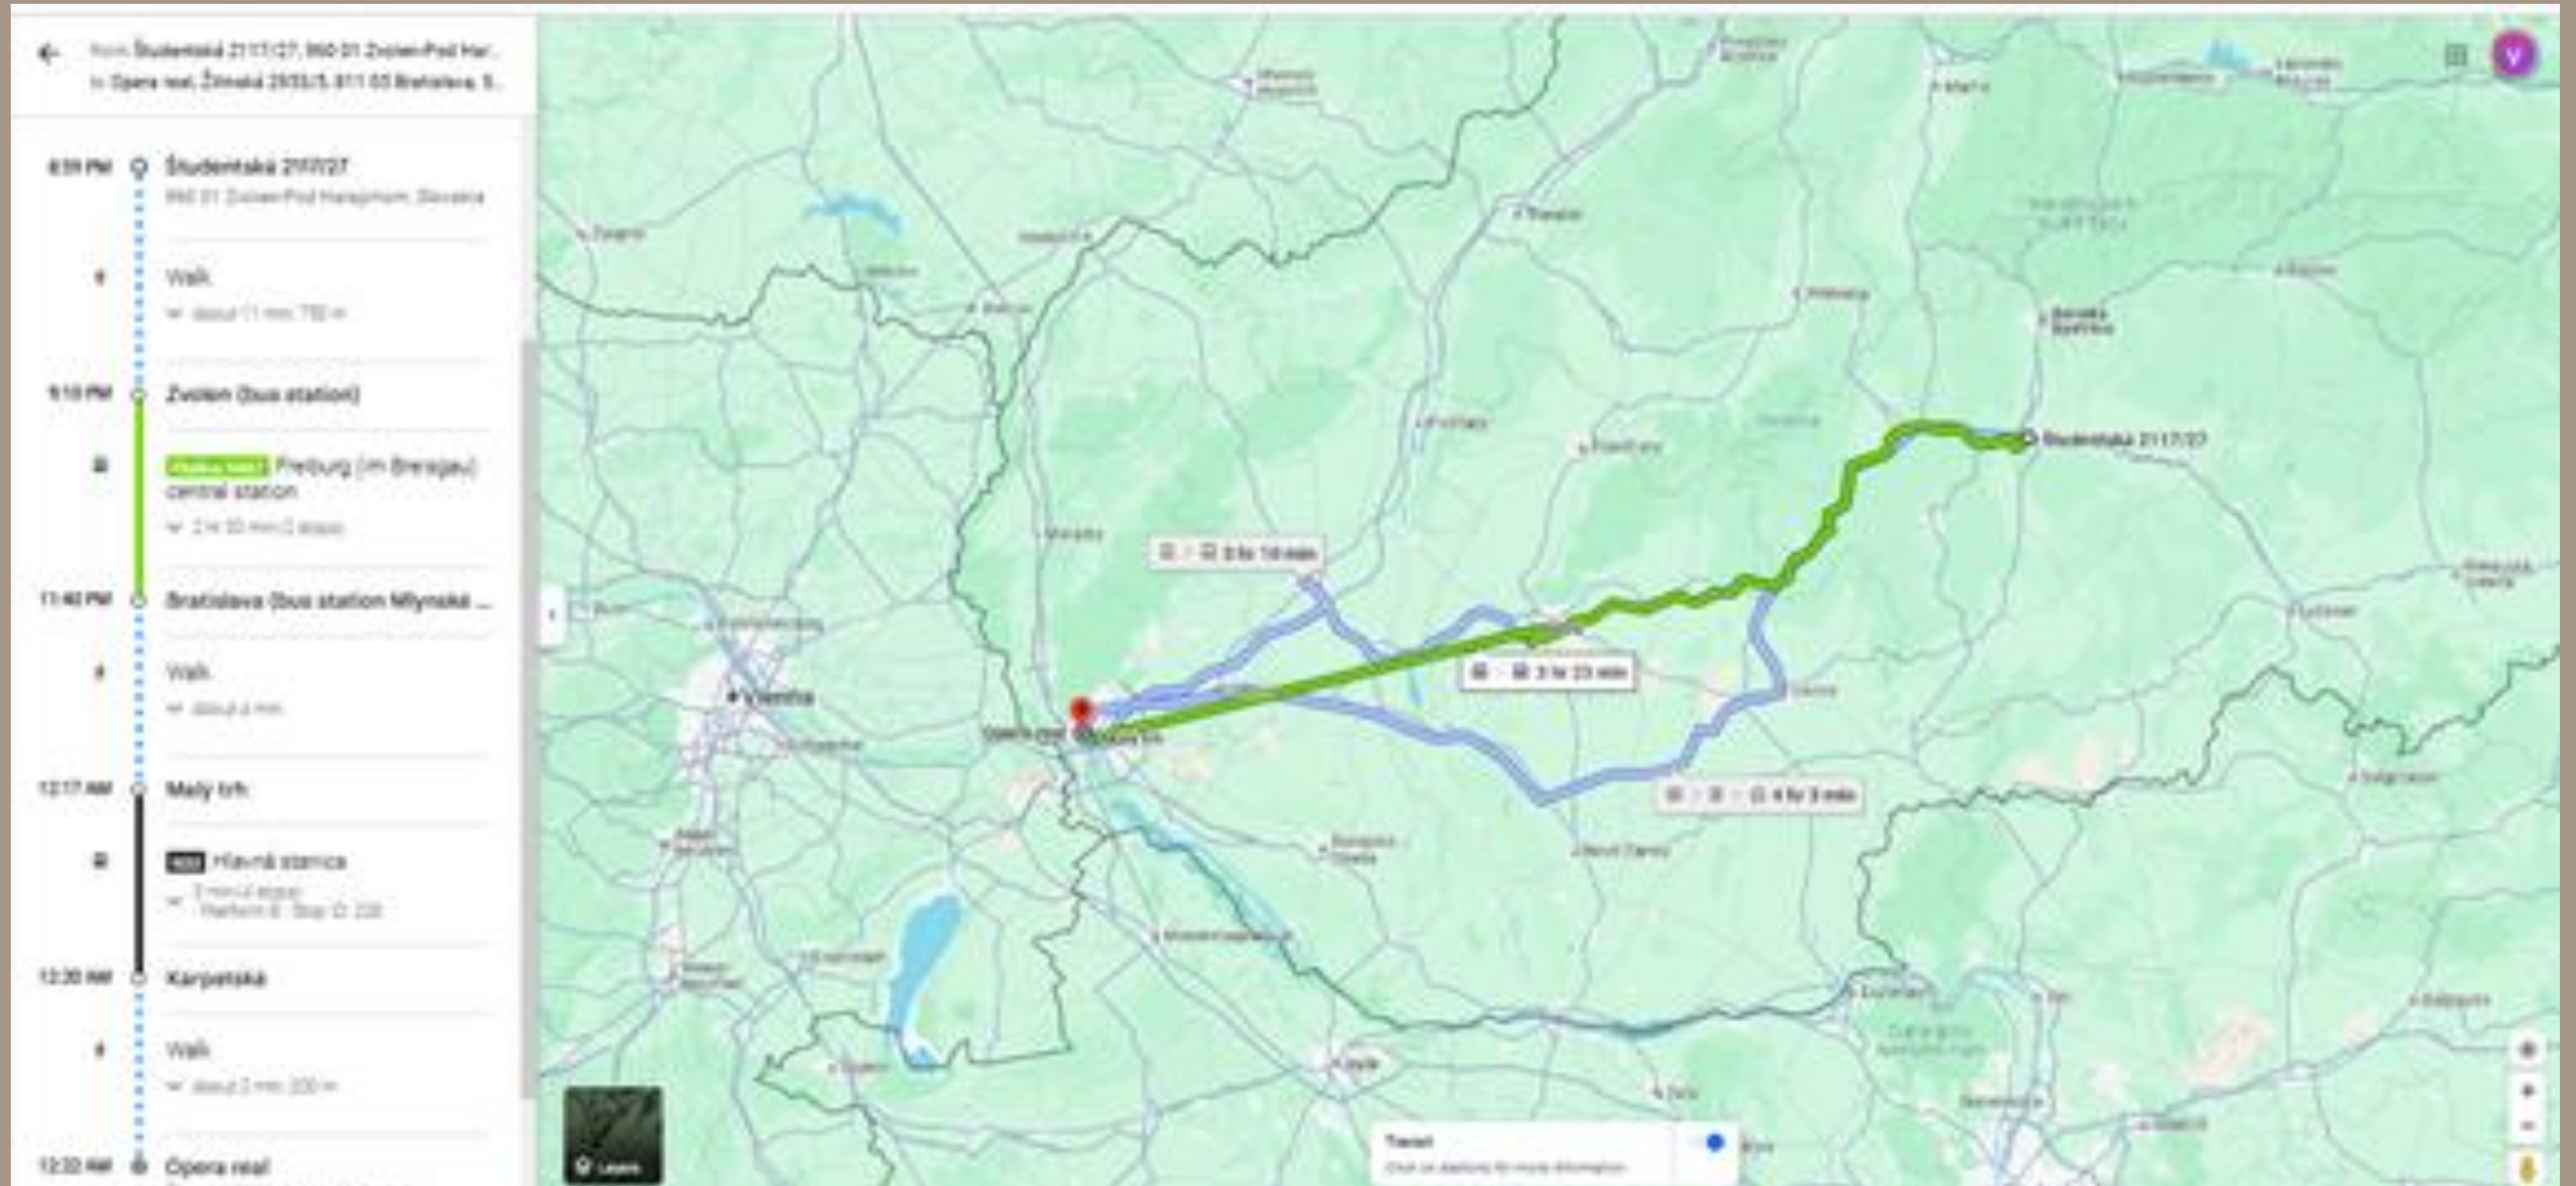

Pharmacies, medical facilities: Google Maps helps you find the nearest pharmacies, hospitals or doctor's practices in case of emergency.

Local Tourist Attractions: Search tourist attractions and get directions to get there easily.

Tip: Also check the opening hours of local services and get directions to the places of your choice.

Zvolen (Slovakia)

Public transport information

Zvolen (Slovakia)

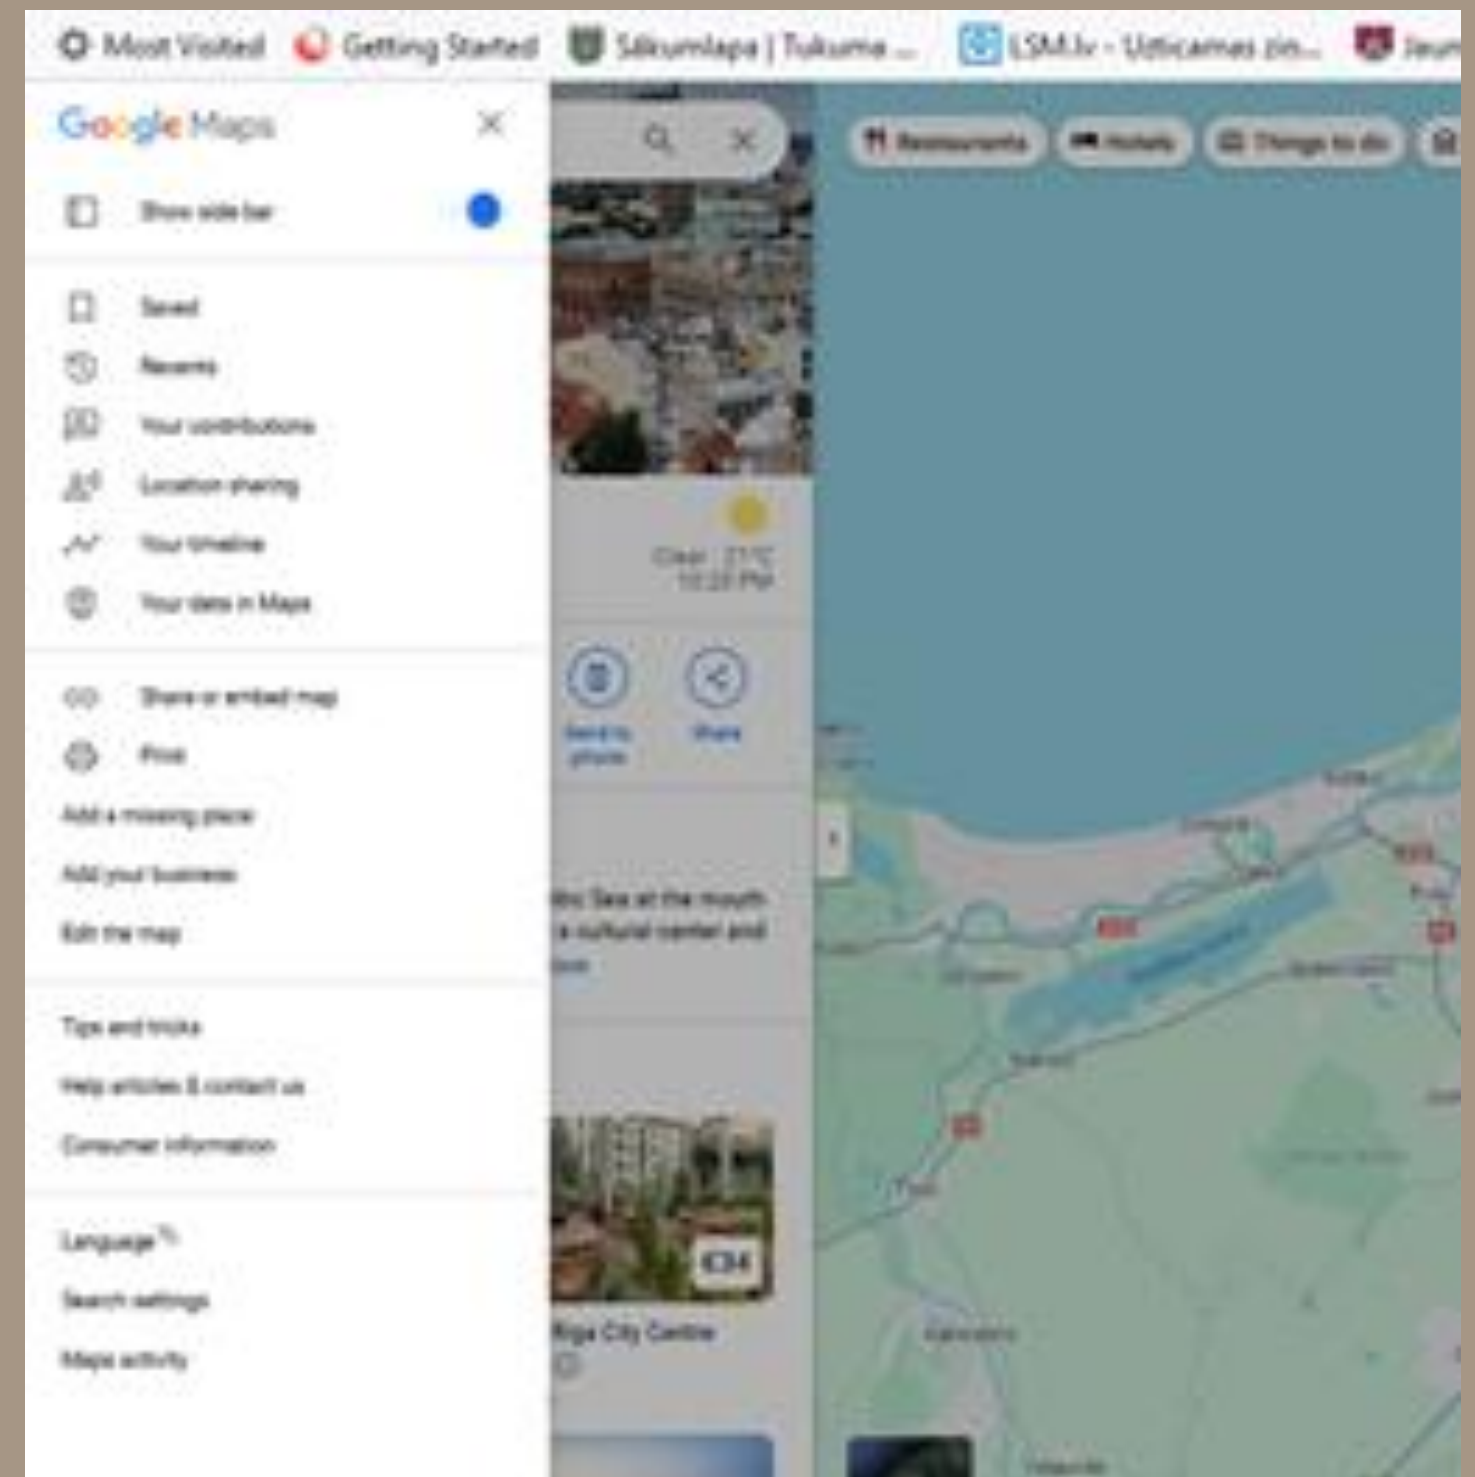

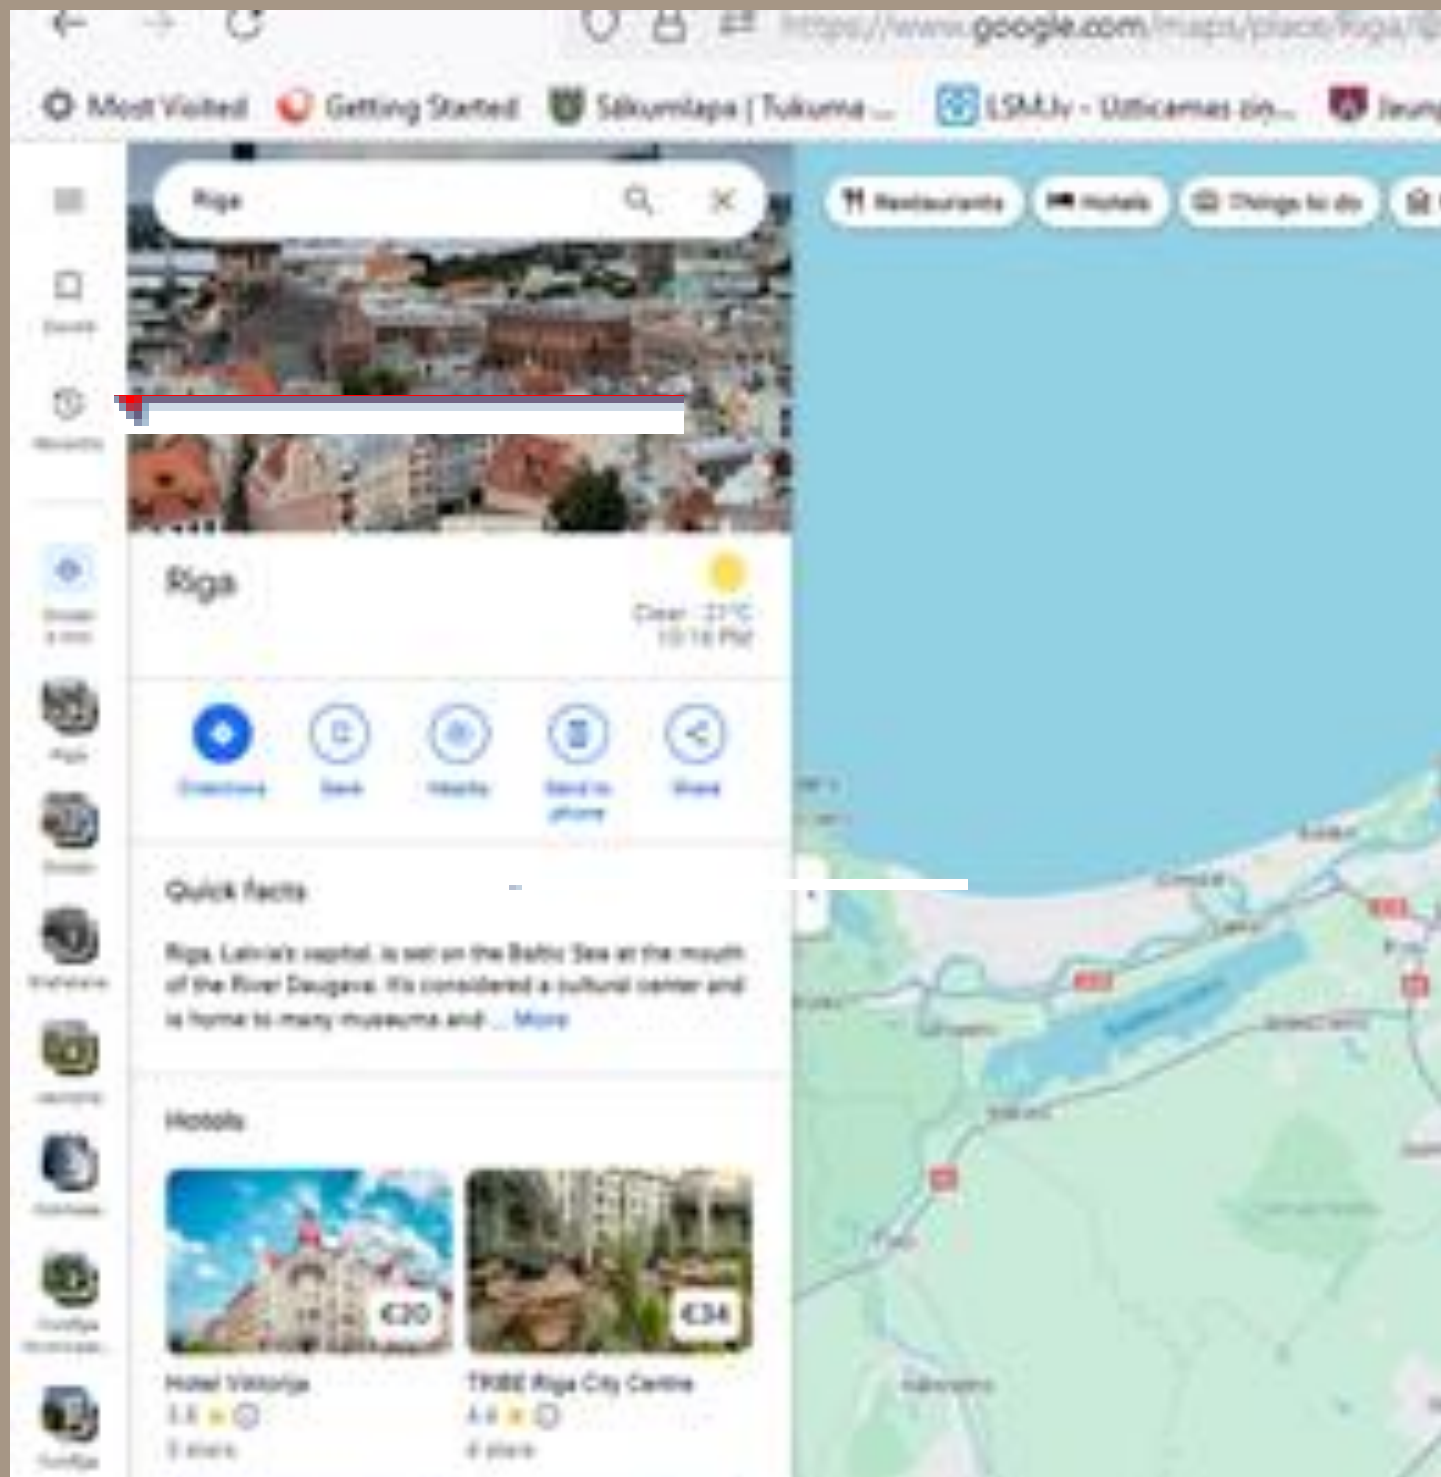

Public transport information

Buses, trains and subways: Google Maps offers public transport schedules, stations and routes, as well as information about how long you will have to wait for the means of transport to arrive.

Real-time traffic information: You can see how traffic is developing in real-time and adjust your routes accordingly.

Tip: Check public transport options before departure to optimize your travel time.

Safety and emergency assistance

Safety and emergency assistance

Location sharing: Google Maps lets you share your location in real time so family or friends know where you are.

SOS features: In case of emergency, you can search for nearby police stations, hospitals or even natural disaster information if available.

Tip: Let your family know your route and use location sharing for safety.
